- III. **Spotlight:** Lacie Sherlock, Home Child Care Network (HCCN). The HCCN home providers have a more one to one environment and curriculum developed to teach the children in their care. They offer flexible schedules, such as 2nd and 3rd shifts as well as weekends. They also have providers that can serve children with special needs. All the providers in the HCCN must be willing to take state payments. The HCCN is a program of the Skip A Long Child Care Connection.
- IV. **Guest Speaker:** Marlys Jenkins, South - West Kiwanis. Marlys presented the Lend a Hand Program today. They provided durable medical equipment to children birth to 18. The program was developed to help when insurance or other programs cannot help. There is a "per instance" cap that they follow; they may not be able to cover complete cost but will give as much as possible. They will provide up two items per year. There is no limit based on income or insurance. Marlys provide an application for council members to take.
- V. **Committee Work/Budget:**
The budget for FY18 has been spent. It was discussed that at this time, there are no significant item to be discussed or meeting worthy during June. Council agreed to cancel June meeting, making next meeting in August 8th at Crittenton Advocacy Center.
- VI. **Jim Runyon, State of the State:**
Jim could not be in attendance today. He gave us the following updates to share with the council:
- We are still waiting for the RFP (Request For Proposal) from the state so we can complete the application.
 - While we are waiting, the state has extended our current contract by 3 months—now ending September 30. We are now sending all the documentation and budgets needed for the 3-month extension.
 - At some future point we will need to do the same for the final 9 months of FY19.
 - At the time, Jim will not know the funds available for LIC's for FY19 until he receives the RFP. He will update us in August.
- VII. **Michelle Harr/CFC Manager's Report:**
- Michelle joined via phone. CFC 14 is fully staffed. Michelle is still helping at CFC 16, so please call her cell if needed help. Many staff will be on vacation in the upcoming weeks, so if you need to get a hold of one and not getting a response, please call Michelle's cell. CFC will be closed May 28th for Memorial Day.
 - CFC 14 is doing great with their monthly stats. Services delays are down to 6.37%, average days from referral to IFSP are 25.37 days, and average age at intake is down to 600.7 days.
